

INSPIRATION DAY CLASS LIST

Please read all the descriptions, then select your top 10 choices.

PLEASE NOTE: All classes will be divided into developmentally appropriate sessions.

CODE	CLASS NAME	CLASS DESCRIPTION
100	Abuzz with Bees	Have some fun buzzing around as the Grayslake Public Library introduces you to coding and programming. Investigate the world of Bee-Bot Robotics. Make the Bee-Bot walk the maze, solve simple math problems, or visit planets. It's all up to you! It follows your commands!
110	Archery	Join the Boy Scouts to learn how to use a bow and arrow. Try your skills at an indoor archery range and win cool prizes. THIS CLASS IS FOR 4-8th GRADERS ONLY!
120	Balloon Creations	Have you ever wanted to make your own balloon animal, hat, or helicopter? This is the class for you! We will watch videos, demonstrations, and then you will be able to make 2 balloon creations to take with you. ** ALLERGY ALERT: LATEX **
130	Beads and an Iron	Use Perler Beads to create a design. Irons will then be used to turn your creations into magnets, window art, or jewelry! The possibilities are endless!
140	Beauty Shop Fun	Join Polished Salon & Boutique to learn about the beauty industry. Learn a few new nail trends and bedazzle your hair with shimmering hair extensions, also known as hair tinsel.
150	Bouncy Goo Balls	Learn about polymers by making your own Bouncy Goo Ball using glue and borax. Test the properties of your creation through fun activities and games. Then, take your Bouncy Goo Ball home with you!
160	Build It	Learn about basic architectural design concepts and create a structure that reaches the ceiling using only handmade newspaper dowels!
170	Camping	Want to learn how to properly build a campfire? Join the Cub Scouts to make an endless rope ring, learn basic knots, set up a tent, and build a campfire you can eat! THIS CLASS IS FOR 1st-3rd GRADERS ONLY! ** ALLERGY ALERT: FOOD **
180	Chess & Checkers	Chess and checkers are fun and exciting games with benefits that go beyond the board itself. These games develop spatial thinking, strategy, improved self-esteem, and concentration. Play against your classmates and learn the moves, strategies, and tricks to become a champion!
190	Chickens, Turkeys, & Ducks	Join the Lake County Farm Bureau to learn interesting information about chickens and eggs! Come learn about hens, roosters, chicks, turkeys, and fancy poultry breeds. Meet Rodney, Henrietta, and Tom. Find out how long it takes for an egg to hatch. There's so much to discover!
200	Circus Kazoo	Join Circus Kazoo to clown around, balance with the greatest of ease, and juggle a variety of fun objects. Circus Arts are an interesting combination of sport and art! THIS CLASS IS FOR 5-8th GRADERS ONLY!
210	Coding for Kids	Join Mrs. Pickens in the computer lab for Minecraft or Angry Bird computer coding! Learn basic computer coding through online games and puzzles.
220	Crazy for Science	Join the Round Lake Area Public Library to do an assortment of odd and crazy experiments. This is a hands-on program! ** ALLERGENS MAY BE PRESENT. **

CODE	CLASS NAME	CLASS DESCRIPTION
230	Dancing Divas	Come dance your hearts out with the Grayslake Colts dance coaches and learn a dance routine with moves from hip hop, jazz, and poms! Learn leaps and turns! Stay on beat!
240	Duct Tape Adventure	Ever wonder how you can make a wallet out of duct tape? Here's your chance! Make a cool duct tape wallet of your own and learn more about other fun things you can make with duct tape!
250	Emoji Paint Party	Have a blast while learning how to paint one of your favorite Emojis on an 8" x 8" canvas!
260	Fire Awareness	Join the Round Lake Area Fire Department to learn what fire and emergency professionals do, what they use, and how they learn to do it! THIS CLASS IS FOR K-3rd GRADERS ONLY!
270	First Aid Awareness	Join the Round Lake Area Fire Department to learn about First Aid, CPR, and AFDs. THIS CLASS IS FOR 4-8th GRADERS ONLY!
280	Floor Hockey	Does the exhilaration of scoring a goal or making a great pass interest you? Come play floor hockey with your friends! Learn a few basic skills, get drafted by a team, and play a game.
290	Girl Scout Fun	Join the Girl Scouts for some STEAM based programs including rockets, experiments with candy, and more! ** ALLERGY ALERT: FOOD **
300	Glitter & Glass	Get crafty! Join us to make a stress relief glitter bottle and tissue paper/stained glass candle holder.
310	Go Noodle Wolf Style	Move and have fun! Participate in various activities from the "Go Noodle" website. Then, make your very own "Go Noodle" necklace or bracelet. THIS CLASS IS FOR K-2nd GRADERS ONLY!
320	Home Depot Workshop	Join the Home Depot (Mundelein) to learn how to use tools safely. Improve your skills. Enjoy a sense of pride and accomplishment when you complete your building and painting project. Then, take it home and show it off!
330	Hoop Dreams	Come have fun learning how to play basketball. Shooting, passing, and more will be covered. Then, have a fun game to show off your new skills! THIS CLASS IS FOR 5-8th GRADERS ONLY!
340	Horse Training	Join Millennium Farm to learn about horses, how to take care of them, equipment used to ride them, and how riders learn to walk, trot, canter, and jump.
350	Ice Cream Rocks	Use math and science to make a cool treat! Come make your own ice cream and top it off with a sweet treat. ** ALLERGY ALERT: FOOD **
360	Kids & Kenya	Travel to a far away place with Oasis for Orphans and learn how kids are alike and different. Learn about Kenyan culture through hands on activities, stories, crafts, language, and music. THIS CLASS IS FOR K-2nd GRADERS ONLY!
370	Lego Mindstorms	Use critical thinking and problem solving skills to complete challenges using the Lego Mindstorms EV3! You'll get a brief introduction to programming and have hands on time to program your robot to solve some missions. THIS CLASS IS FOR 2nd-8th GRADERS ONLY!
380	Letterboxing	Do you like finding treasures? Do you like the outdoors? Letterboxing is a fun way to combine both! What will you find?

CODE	CLASS NAME	CLASS DESCRIPTION
390	Little Picassos	Join David Adler Music & Arts to learn about Pablo Picasso. Why did he create art in abstract forms? Then, create your own masterpiece with oil pastels and paper.
400	Love Me Knot Bows	Learn how to make your very own hair bows! You'll make 2 bows - one with a paw print and another boutique style bow. Make custom bows to accessorize any outfit!
410	Magic of Imagination	Magic is the art of creating the impossible! Join Brent Allan Entertainment to use your imagination, chase your dreams, and create theater.
420	Mmm... Chocolate!	LOVE chocolate? Then you must join us for this delicious class where you will learn how to make your own yummy treat by dipping cookies, fruit, and more in melted goodness! ** ALLERGY ALERT: FOOD **
430	Mobile Radio Station	Join Star 105.5 and learn what it's like setting up for a live radio broadcast. Then, do your own radio show! It's a behind the scenes look at how a radio station works that you won't want to miss. THIS CLASS IS FOR 3rd-8th GRADERS ONLY!
440	Mr. Freeze	Join Jerry Zimmerman, a physicist at Fermilab, for a demonstration of the fun, exciting, and tasty world of cryogenics. <i>Please Note: Demonstration can be loud!</i> THIS CLASS IS FOR 4-8th GRADERS ONLY! ** ALLERGY ALERT: FOOD **
450	Nail Art	Join Rubi's V.I.P. Experts to learn the history and science of nail polish and nail art. Learn the basics of polishing and practice on your own practice nails. Build the skills to do it at home yourself!
460	No Sew Pillow	Lots of knots plus fleece equals a PILLOW! Come knot your very own pillow for a cozy bedroom accent. <i>Please Note: Students must be able to tie knots to participate in this class!</i>
470	Origami Madness	Learn about the history of origami and how you can fold one sheet of paper into a piece of art - no glue or scissors needed! Then, take all your creations home to share with your friends and family.
480	PE's Greatest "Hits"	Learn about the benefits of physical activity and healthy competitions. Then, play some of Park Campus' favorite games - Gaga Ball and Dodgeball.
490	Power of Positivity	Do you wonder how those "always positive" people do it? Join Baxter Healthcare to complete some fun activities and talk about ways that YOU can be one of those eternally positive people. Who wouldn't want to be in a good mood all the time?!
500	Punt, Pass, Kick	Are you ready for some football? Do you have the arm to throw a touchdown pass or the leg to kick a game winning field goal? Show the Grayslake Colts coaches your skills and become the next football star!
510	Remote Control Car Racing	Calling all race fans! Come put your race skills to the test! Teams will speed around a big race track, maneuver the curves, and claim victory at the finish line. THIS CLASS IS FOR 2nd-8th GRADERS ONLY!
520	Rising Stars!	Our youngest theatre fans will love to dance and sing in this workshop! Join the Round Lake Area Park District to learn a song, dance, and little bit of dialogue, as you work on a scene from Sleeping Beauty, the 2 day camp this summer. Then, perform what you've learned! THIS CLASS IS FOR K-4th GRADERS ONLY!

CODE	CLASS NAME	CLASS DESCRIPTION
530	Roller Skating	Do you like to roller skate? Would you like to learn? Learn some skills like standing up, falling down safely, going forward, and how to stop. Between the music, the lights, and the physical activity, you'll see that ROLLER SKATING IS FUN!
540	Scrapbooking	Come create your very own mini scrapbooks! You will be provided with mini books, paper, stickers, and other supplies. <i>Please Note: Students will need to bring a minimum of 5 pictures.</i>
550	Shaving Cream Marbling	Use shaving cream and food dye to create artwork! You will create a design and then transfer the shaving cream onto paper to create a marbling look.
560	Show Your Spirit	Give me a V, dot the I, curl the C-T-O-R-Y... Victory! Come learn some sideline cheers, motions, and formations with the Grayslake Colts coaches!
570	Sing	Do you love to sing? Then this is the class for you! Karaoke, Wii Rockband/Beetles, sing-a-longs - lots of options and opportunities for you!
580	Soccer	Take part in an exciting soccer experience led by professional coaches from local travel soccer club, FC Lake County! Play fun games designed to improve your fundamental soccer skills and end with an enjoyable World Cup Tournament!
590	Softball	Come learn the basics of softball - throwing, catching, hitting, and running the bases. Then, put your skills to use in a practice game!
600	Stack Attack	How fast can you stack? Learn about speed cup stacking - a new way to work on hand-eye coordination, speed, agility, and balance! Challenge yourself with the timer to see how fast you can stack or race your friends!
610	Studio 13!	If you love theatre, this workshop is for you! Join the Round Lake Area Park District to learn a song, dance, and a little bit of dialogue, as you work on a scene from the musical "Beauty and the Beast", the 3 day summer camp. Then, perform what you've learned! THIS CLASS IS FOR 5-8th GRADERS ONLY!
620	Tie Dye Extravaganza	Come and learn how to tie dye a t-shirt or a pair of socks. Turn your vision into wearable art!
630	Yard Games	Need some ideas for a summer day? Learn how to play different types of yard games like bocce ball, baggo, and horseshoes. Come have some fun!

Volunteers needed!

Volunteers are needed to assist in classrooms, direct students, serve breakfast/lunch, and more. We cannot do it without your help! Please consider helping on Inspiration Day (Friday, April 28th). Visit <http://tinyurl.com/ptosignups> to learn more and sign-up. Thank you!!
