

Inspiration Day 2014

Donation Requests

Inspiration Day is quickly approaching. You should have received your child's selection form this week. Please remember that they are due no later than *Monday, April 7th*. Please read through the class selections, help your child select classes they would be inspired to take on Inspiration Day, and fill out the selection form completely (including a parent/guardian's signature).

As you can see, we are offering a wide range of classes this year. In order to manage costs, we would like to know if you can donate any of the following supplies. We appreciate any donation! To make it easy, we will have donation boxes set up in the Kindergarten and 1st/2nd grade hallways marked INSPIRATION DAY. All you need to do is send your donation to school with your child and they can put it in the box. If you are making a monetary or gift card donation, please place it in an envelope marked "Inspiration Day" and have your child give it to his/her teacher. If it is too difficult to send the donation with your child, there will also be a collection box on Lisa Colson's front porch (799 Winchester Dr.) that you can drop items in anytime. **Donations are due by May 1st**.

Inspiration Day would not be a success without our wonderful families. We appreciate each and every one of you. Any small donation is appreciated and if we can all give a little, it makes a lot! Thank you in advance for all of your generosity. This is one of our favorite days to witness all of the students participating in new adventures.
