Our in-school holiday shop for the kids

Dear Parents,

You and your child are invited to participate in the **Holiday Treasures Gift Shop** program coming to our school!

This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends. The gift shop will be set up at our school and supervised by parent volunteers, who help the children pick that "perfect" gift at a price they can afford.

We believe this program will create wonderful memories for the children while teaching them to save and budget their money, and make their own purchase decisions.

You can be part of this experience with your child. A "gift planner" envelope is provided to help children decide who they can buy gifts for and how much they can spend. Your child should bring this envelope with their money enclosed on his or her shopping day. Be sure to discuss whether your child can use leftover change for a small gift for himself, too.

But, let your child be in charge. Children are thrilled to surprise a loved one with a "treasured" gift they bought all by themselves.

Featuring

Special gifts for Mom and Dad, Grandparents, Sisters and Brothers, Aunt and Uncles, friends, even the pet.

A large variety of gifts, including tools, jewelry, stuffed animals, coffee mugs, sports items and much more.

Kid-friendly prices from pocket change to \$10, with most gifts under \$5.

Gift wrapping is provided, too.
