

PARK CAMPUS PTO

CLASSROOM WISH LISTS

Dear Staff,

Park Campus parents love to help their teachers. Please take a few minutes and write down items you would love to have for your classroom. Your wish may be as simple as dry erase markers or as specific as a particular book for your classroom library. Feel free to update your personal lists as your needs change throughout the year.

The PTO would also like you to include a few personal items such as your favorite place to eat lunch or favorite scent for bath products, etc. These more personal items will assist parents in selecting holiday gifts or gifts for teacher appreciation days. So please share your wishes and allow our parents to make them come true.

Classroom Wish List

Teacher Peg Holm Room 309 Grade 4
