Inspiration Day Information
Response Required By: **MONDAY, APRIL 7th**

Dear Students and Parents,

Inspiration Day is scheduled for Friday, May 16, 2014. On this special day, the students will not follow their regularly planned schedules. Instead, the kindergarteners will have some classroom time, lunch, and then attend three 40 minute Inspiration Day sessions. Since this is a school wide event, they will be attending these sessions with students from other grades. The kindergarteners will be broken down into small groups to attend these sessions and a teacher and/or parent volunteer will be traveling with the group to their sessions. Attached is a list of the wonderful sessions that will be offered that day to the kindergarteners. On the back of this letter is the kindergarten selection form. Please fill out the form completely and rank the choices in order from 1-4 (#1 being the most desired sessions).

Once forms have been received, students will be assigned their sessions. Inspiration Day is a time for students to try new things and improve on skills they may have learned in the past. Please be aware that students cannot be guaranteed their top choices, as the entire student body is included in this wonderful day.

Finally, the form must be signed by a parent or guardian and returned to your teacher **NO LATER THAN Monday, April 7th.** If we do not receive the student selection form by the assigned due date, a schedule will be created FOR your child.

We hope that your child has a great experience that day! If you have any questions about Inspiration Day, please contact me and I will be happy to assist you.

Thank you,

Amanda Marshall
