Inspiration Day Information

Response Required By: **FRIDAY, APRIL 15th**

Dear Students and Parents,

Inspiration Day is scheduled for Friday, April 29, 2016. On this special day, the students will not follow their regularly planned schedules. Instead, the half-day kindergarteners will have some classroom time, attend an assembly (Chickens & Eggs), and enjoy two 40-minute Inspiration Day sessions. Since this is a school wide event, they will be attending these sessions with students from other grades. The kindergarteners will be broken down into small groups to attend these sessions and a teacher and/or parent volunteer will be traveling with the group to their sessions. Attached is a list of the wonderful sessions that will be offered that day to the kindergarteners. On the back of this letter is the kindergarten selection form. Please fill out the form completely and rank the choices in order from 1-3 (#1 being the most desired sessions).

Once forms have been received, students will be assigned their sessions. Inspiration Day is a time for students to try new things and improve on skills they may have learned in the past. Please be aware that students cannot be guaranteed their top choices, as the entire student body is included in this wonderful day.

Finally, the form must be signed by a parent or guardian and returned to your teacher **NO LATER THAN FRIDAY, APRIL 15th**. If we do not receive the selection form by the assigned due date, a schedule will be created FOR your child. Late forms will NOT be accepted.

We hope that your child has a great experience that day! If you have any questions about Inspiration Day, please contact us and we will be happy to assist you.

Thank you,
