

Wish List Form

Park parents love to help their teachers and staff! Please take a few minutes to write down items that you would love to have to help enrich the experience of Park students. Your wish list may be as simple as dry erase markers or as specific as a particular book or computer program. Feel free to submit updated copies of this form throughout the year as your needs change. Your wish list will be available in the school office and on our website (parkcampuspto.com).

The PTO would also like you to include personal items, such as your favorite place to eat lunch or a favorite scent for bath products. These more personal items will assist parents in selecting holiday gifts or gifts for staff appreciation.

Please share your wishes and allow our parents to make them come true! Thank you!
