THE REAPING

All tributes (or pairs of tributes) will be entered into the Reaping Drawing held by the Capitol to determine the District Teams. The teams will be posted on Wednesday, March 9th. Each District Team will have tributes from each grade and be assigned a color to wear at the Games.

COMPETE

District Teams compete together in various "minute-to-win it" style games to determine the Victor! Victors will be announced after the completion of the Games and celebrate with the entire Park community by running through the building with their District Team.
